

## Star Pool League Winter 2019 Season (DRAFT 2)

1. 8-Ball competition with international rules
2. Race to handicap in all games (handicaps 4, 5, 6, 7, 8, 9, 10, 12)
3. Winner receives 2 points. If 2 or more players have the same winning game points, then ranking will be determined by frame difference, e.g. how many frames were won and lost. If the frame difference is the same, ranking will be determined by higher number of frames won.
4. Which table the game is played on is decided by the league operator, who will take into consideration the situation on the game day.
5. The deposit will be repaid at the end of the season to each player who has not violated the league rules more than 4 times.
6. Violations are rearranging games (1), late to the match start time (1), no show with notification less than 2 hours before scheduled game start time (2), no show without notification (4), playing the game without league shirt (1). Each player is requested to notify any delay or change of game play schedule as early as possible.
7. Notifications of any kind, rearranged games, requirements by the player, etc. must be done to the league operator, the hosting venue, and to the opponent player if applicable.
8. Games start on time, unless the previous game has not finished yet. If a previous game finishes late, then the following game start immediately after the minimum practise time.
9. Each player is entitled to a minimum practise time of 5 minutes before the game. This practise time is taken before the scheduled time of the game, or right after the finishing of the previous game, if that game is late.
10. A player who is late to the start of the game, either scheduled or the finishing time of the previous game, will forfeit 1 frame for being late 10 minutes or more, 2 frames 20 minutes or more, and 3 frames for being late 30 minutes. The game will be judged a now show if a player is late more than 40 minutes. In this case, the non-offending player will be awarded with the game win. Notification does not wave the late penalty. A player who is late is not entitled to practise time.
11. Players are requested to observe a notice time of 24 hours before the scheduled start of game, if they wish to rearrange the game to be played on a different date. This notice time shows respect to the opponent player for him or her being able to make alternative plans for the day of game play.
12. Rearranging games
  1. Notice given before the start of the league's regular season: no violation
  2. Notice given more than 2 hours before scheduled start of game: 1 violation, opponent player must work with the offending player to find an alternative play date.
  3. Notice given less than 2 hours before scheduled start of game: 2 violations, opponent has choice of accepting alternative play date, or take a game forfeit in his or her favour.
  4. No show: 4 violations, game is ruled as forfeit in favour of the non-offending player.
  5. A player will be expelled from the league should he or she commit 3 no shows during the same season. None of the monies paid are reimbursable.
13. A special end of season event such as a tournament will be notified during the season. The season will close with a presentation night at the hosting venue.
14. All information regarding this league will be notified through our league website at <https://star.huahinpool.org>. The website will serve updated information on game schedule, standings, and more at all times. In addition to our league website we will also communicate through our established facebook and line channels.
